## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-3,5-10,12-13 are allowed.
2. The following is an examiner's statement of reasons for allowance: The primary reason for the allowance of claims 1-3,5-7 is the inclusion of the limitation added in the June 25, 2004 Amendment stating 'wherein the first host channel adapter is configured for notifying the processor of a link failure detected between the first host channel adapter and the InfiniBand™ network, the processor configured for causing the first communication operations to be transferred to the second host channel adapter in response to the notification of the link failure'.

The primary reason for the allowance of claims 8-10,12,13 is the inclusion of the limitation added in the June 25, 2004 Amendment stating 'wherein the detecting step includes receiving a notification from the first host channel adapter of a link failure between the first host channel adapter and the InfiniBand™ network'.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Response to Arguments***

3. In Applicant's response on page 1 of the paper dated 12/17/2004, Applicant states that 'the Examiner did not issue a corrected office action as requested by the REQUEST FOR CORRECTION OFFICE ACTION AND RESTARTING PERIOD FOR

Art Unit: 2113

REPLY UNDER MPEP 710.06'. The Examiner would like to clarify the record by stating that a formal request that was said to have been filed October 18, 2004 was never received by the Examiner from Applicant.
